
Leadership in thought that leads to action

The World Academy of Art and Science

is pleased to recognize

Velimir Neidhardt

as

Fellow

of the World Academy, whose members are chosen for eminence in the arts, the natural and social sciences, and the humanities, and are mandated by the Academy's founders to explore "the social consequences and policy implications of knowledge."

Heitor Gurgulino de Souza, President

Fellow since
June 2019
